## PROFESSIONAL EXPERIENCE

### Head of Acquisition

Since March 2026 · Paris - France

**Hygie31 - Dhygieta** | Budget : +10M€ / year

- Managing paid acquisition across multiple brands on the French market and around 20 international markets
- Creation of a global Acquisition dashboard to monitor performance and budget by brand / market (directly from APIs)
- Budget management and allocation across SEA, Shopping, Social Ads, retail media and influencer marketing, with a profitability-driven approach
- Managing retail media campaigns for partner advertisers, from strategic recommendations to activation
- Strengthening cross-channel tracking and measurement (GA4, GTM, Consent Mode v2, server-side tagging)
- Managing and developing a 3-person acquisition team (Traffic Manager + 2 apprentices)

### SEA - PPC Global Manager

July 2024 – January 2026 · Paris - France

**Pierre et Vacances Center Parcs** | Budget : +10M€ / year

- Management and optimization of SEA/PPC campaigns on Google Ads, Microsoft Ads via Search Ads 360
- Creation of a global SEA dashboard to monitor performance and budget by brand / market
- Account restructuring based on the "Modern Search" framework and rollout of new formats (Performance Max, Demand Gen, Multimedia Ads...)
- Implementation of A/B tests (Broad Match, tROAS bidding strategies, PMax Asset Groups...) to improve campaign performance
- Reporting and strategic recommendations focused on bookings, revenue and profitability to market stakeholders
- Cross-channel synergies (CRM audiences, SEO/SEA) and management of Google & Microsoft agency relationships
- Deployment of a MMM (Ekimetrics) validating the budget rebalancing strategy across Brand / Generic / Performance Max

### SEA - PPC Global Manager

April 2022 – July 2024 · Paris - France

**Europcar Mobility Group** | Budget : +50M€ / year

- Management of SEA/PPC campaigns across 10 markets and 4 brands (Google Ads, Microsoft Ads, Apple Search Ads)
- Monitoring and optimization of key KPIs: bookings, revenue, profitability CoS (Cost of Sale)
- Coordination with partner agency and market leads to align strategy and execution
- A/B testing (Broad Match, alternative landing pages) and exploration of new formats (PMax, Demand Gen, Audience Ads)
- App campaign management (Google UAC, Apple Search Ads)
- Cross-channel synergies (Display audiences, Brand SEO/SEA testing, affiliate bidding rules)
- Participation in a Marketing Mix Modeling project (partner agency tool) to assess budget reallocation opportunities towards underfunded channels

### SEA Manager

September 2019 – April 2022 · Paris - France

**iProspect / Dentsu**

- Management of Search campaigns (Google, Bing, Yahoo) for La Poste BNUM, KFC, Reckitt, Rhinov, Bordeaux Airport, Oxbow, Evian Resorts...
- Keyword strategy, ad creation and campaign launches
- Ongoing optimization to meet client objectives (branding, performance, leads...)
- Strategic recommendations and detailed performance reporting
- Agency relationship management and client billing
